REFLECTION:

I don't agree with the big way of doing things –
love starts with an individual.

I never look at the masses as my responsibility.

I look at the individual.

I can only love one person at a time.

I can feed only one person at a time.

I know that my work is only a drop in the ocean,

but if I didn't put that drop in,
the ocean would be one drop less.

- Mother Teresa

A PRAYER FOR UKRAINE:

God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow, that your

Spirit of comfort would draw near to them. We pray

for those with power over war or peace, for wisdom,
discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at
risk and in fear, that you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace.

Amen
