REFLECTION:  
The fact that we may have a strong faith  
Doesn’t mean that life will be plain sailing for us. What faith does is gives us bearings, Thus enabling us to live in a topsy-turvy world Without getting lost or giving in to despair. Just as swimmers trust that if they don’t panic, And if they do a few simple things, Then the power of the sea will uphold them. So believers entrust their lives To a power greater than themselves. That power is the power of God, Who brought his Son, Jesus, back from the dead.
