REFLECTION: Christ is coming

To restore our confidence To rebuild broken lives
To readjust our virtues and vices To reassure us in times of doubt
To recharge our faith To reclaim us from despair
To reconcile us with our neighbours To recreate us in his Spirit
To redirect our weary, faltering steps towards our Heavenly Father
To reinstate us as his sisters and brothers To repair the damage of the past year
To reset our value system to a 'life-giving' programme
To retrace our experiences of his love in the past year
To revive our flagging enthusiasm To reward us with joy and hope for always
To reveal the sun of heaven in the winter of our life
To redeem us - he buys us back for a second chance To remind us of his humanity
To refresh our memories of God's promises. To heal us a lack of forgiveness.
To see ourselves as He sees us To fill us with hope.
