COMMUNITY LED LITURGY

We will have a community led liturgy on Saturday 23rd and Sunday 24th February in all the Churches. It is vital that we prepare for the future so we ask for your support.

If there was no Mass in my parish on a Sunday, I think I’d go to the parish next door? From the earliest times gathering to pray as a Community on Sundays has been at the very heart of the Christian life. Even if a priest is unavailable to be with them, the Christian Community can continue to gather as the praying community in its own place. If each person decides to go to the neighbouring parish this will have a big impact on the identity of our local parishes. For this reason, the Diocese is committed to training Lay Leaders of Liturgy so that Christian Communities can gather to pray in their own parishes.

What will Community Led Liturgy look like? How will it differ from Mass? Many of the elements of a Community Led Liturgy will be familiar. We will gather as a Community in much the same way as we do each Sunday. We will listen together to the Word of God and pray for the needs of the world and Church and the needs of our neighbours in the Prayer of the Faithful. In the absence of a presiding priest the Liturgy of the Eucharist where we take, bless, break and share the Eucharistic elements is not celebrated. Instead, Holy Communion consecrated at a previous Eucharist is brought to the altar and distributed by those trained and commissioned in the parish as Eucharistic Ministers. After Communion a prayer of thanksgiving is prayed. Any announcements are made at this point also. All of this is done prayerfully and with great reverence.
