**BEGIN**

Begin again to the summoning birds  
to the sight of the light at the window,  
begin to the roar of morning traffic  
all along Pembroke Road.  
Every beginning is a promise  
born in light and dying in dark  
determination and exaltation of springtime  
flowering the way to work.  
Begin to the pageant of queuing girls  
the arrogant loneliness of swans in the canal  
bridges linking the past and future  
old friends passing though with us still.  
Begin to the loneliness that cannot end  
since it perhaps is what makes us begin,  
begin to wonder at unknown faces  
at crying birds in the sudden rain  
at branches stark in the willing sunlight  
at seagulls foraging for bread  
at couples sharing a sunny secret  
alone together while making good.  
Though we live in a world that dreams of ending  
that always seems about to give in  
something that will not acknowledge conclusion  
insists that we forever begin.
