REFLECTION:
Into the darkness of despair and fear, the tongues of fire came,
bringing warmth and light, hope and joy. The flame was no flame, but the Spirit of Christ. As the bush burned in the desert, but was not consumed, so tongues of flame burned on the heads of the disciples of Christ, and they were not harmed. Fire, blazing but not consuming, a sign of the presence of the Holy God.
Fire in us, calm us.
Fire around us, enlighten us.
Fire above us, strengthen us.
Fire below us, encourage us.
Fire amidst us, empower us.
Fire given to us, protect us.
Fire from heaven, enthuse us.
Fire of God, unite us.
Fire of the Spirit, purify us.
Fire of love, bless us.

Christ, in these tongues of flame may we see your Spirit, given to us.
Christ, in this fire may we hear your words of hope and joy.
Christ, in this flame which burns but does not consume, may we know your presence.
Christ, in our darkness, may we know the warmth and light of your love.

**15th JUNE – WORLD ELDER ABUSE AWARENESS DAY:** The United Nations General Assembly has designated the 15th June annually as World Elder Abuse Awareness Day. It is well documented that there will be a significant growth in the population of older persons between 2015-2030 and with this increase comes the increase and risk of abuse. The abuse of older people is an increasing and serious problem, so it is vital to raise awareness of it in an effort to prevent it. Raising awareness of what constitutes abuse and ensuring that people know how to report any concerns they have is important in this regard. This day focuses our attention on the need for all of us, to take responsibility in preventing elder abuse for those with whom we work to care for and those within our community. The HSE Safeguarding & Protection Teams work directly with those who find themselves vulnerable and who are at risk of abuse. If you have a concern for yourself or an older person you can contact the HSE Safeguarding and Protection Team on 065 6863869 or safeguarding.cho3@hse.ie
