**REFLECTION**:
Whatever happens to me in life
I must believe that somewhere
In the mess or madness of it all,
There is a sacred potential -
A possibility for wondrous redemption
In the embracing of all that is.
For the unfolding of my journey,
In all it’s soaring delight
And crushing pain,
I may be sure that God is there -
Always ahead, behind, below and above,
Encompassing all the befalls me
In a circle of deep compassion.
And there, above the darkness
That wraps me round
The bright wings of the Dove
Hover and beat in gentle healing love
And invitation to New Rising
